LETIZIA DIMONOPOLI

Zurich, CH letizia.dimonopoli@gmail.com letiziadimonopoli letiziadimonopoli.com

Experience

UBS **Zurich, CH**

Data Scientist Graduate Talent Program *Sep 2026 – Present*

- **Home Team — AI & Analytics Center of Excellence — Personal & Corporate Banking** (Sep 2026 – Present)
  - Developing a solution for contextualizing contact notes in collaboration with the Dalle Molle Institute for Artificial Intelligence (IDSIA), selected for the poster showcase at **AMLD 2027**.
  - Enhancing an LLM-powered application that aggregates, summarizes, and surfaces relevant information to support bank representatives in credit risk assessment.

Data Scientist Intern *Feb 2026 – Aug 2026*

- Researched and evaluated Small Language Models performance for meeting transcript recognition using Python and parameter-efficient fine-tuning (PEFT) techniques, including LoRA and Pattern-Exploiting Training (PET).
- Attended the GenAI Zurich 2026 conference.

AMAZON **Luxembourg, LU**

Software Dev Engineer Intern *Jul 2025 - Dec 2025*

- Led the end-to-end migration and improvement of a data collector service from the legacy system to Native AWS within the Cross-Border Fulfillment Network team, including architecture design, implementation, testing (unit and integration), using Java, core AWS Services, AWS CDK and Dagger dependency injection.

BLACKROCK **Edinburgh, UK**

Summer Analyst (Software Engineering division) *Jun 2023 - Aug 2023*

- Automated the response to 6 alerts using DROOLS language (based on Java), saving the division ∼51h/week.

Education

BOCCONI UNIVERSITY **Milano, IT**

MSc in Data Science and Business Analytics (Field of Study no. LM-82 "Statistics") · 104/110 *Aug 2024 - Oct 2026*

- Relevant Coursework (Data Science track): Algorithms, Advanced Machine Learning, Macro-Econometrics, Natural Language Processing, Optimization, Quantitative Portfolio Management, Stochastic Processes
- Student Ambassador, handpicked by staff to speak on a panel for an audience of 500+ high school students

BSc in Economics, Management and Computer Science · 105/110 *Aug 2021 - Jul 2024*

- Relevant Coursework: Advanced Mathematics, Advanced Statistics, Computer Programming, Econometrics, Machine Learning
- Merit-based exchange program at the **University of Maryland**, College Park (MD), US · Jan - May 2024 · GPA 4.0/4.0

EDUCANDATO STATALE E. SETTI CARRARO DALLA CHIESA **Milano, IT**

Italo-French EsaBac dual degree program · 100/100 cum laude · 20/20 avec les félicitations du jury *Sep 2016 - Jun 2021*

- Merit-based in-depth courses at **Scuola Normale Superiore di Pisa** and **Politecnico di Milano**, via national selection

Leadership & Activities

BSI BOCCONI - BUILD SUSTAINABLE INNOVATION **Milano, IT**

Head of Technology *Jan 2025 - Jun 2025*

- Managed 2 tech projects, including one for a major Italian manufacturer (€460M 2022 sales), coordinating 2 teams of 6 members.
- Conducted applicants interviews.

Technical Projects

Prompting Large Language Models for Portfolio Optimization *May 2026*

- Investigated the use of LLMs for portfolio optimization by designing and evaluating structured prompting strategies.

Echoes of Society: Topic and Toxicity Trends in 80 Years of Music *June 2025*

- Detected manospherity trends in 80Y of U.S. song lyrics using an amplified lexicon, keyword scoring, and a BERT-based model.

The Tokenization Process of Financial Instruments: an Empirical Analysis for Securities *July 2024*

- Analyzed the impact of tokenized securities on market liquidity using regression and ensemble methods in Python.

Awards

AI/ML award at the **University of Pennsylvania Blockchain Hackathon**, developing a bot detection algorithm in Python *Feb 2024*

Skills

Languages: Italian (C2), French (C2), English (IELTS 8.0 - July 2022), Spanish (B2), German (A2)
Hobbies & Sports: Theatre, Swimming, Literature, Piano, Volunteering experience both in Italy (Milano & Rozzano) and in El Salvador
